Richard Ashdown

Richard Ashdown (born 30 September 1978, Harlow, Essex, England) is an English darts master of ceremonies, caller, “spotter”, scorer and referee who has worked for the game’s governing body in the United Kingdom the British Darts Organisation since 2013 onwards – hosting the Lakeside World Championships in 2014 and 2015.

Ashdown is affectionately known as “Little Richard”, in reference to his short height of 160cm (or 5 foot 3 inches).

In the early days of his career, Little Richard had several of his earliest international experiences as MC here in Denmark – starting with Denmark Open 2005 and the WDF European Cup in 2008, and the mutual fondness between Mr. Ashdown and the Danish audience has continued to grow to this day. 10 years of love in Little Richard’s own words!

Preface

Dear Dart Friends

It is with great pleasure, that the Danish Darts Organisation (DDU), welcomes you to the WDF Europe Cup Youth 2015.

A lot of our most dedicated volunteers, have worked hard to make sure, that this years Europe Cup, in the amazing surroundings of Vingsted Centret, will be something we can all be proud of, and which we will remember, as some of our best, funniest and most glorious moments of our "dart life".

The Danish Darts Organisation celebrates its 50th anniversary this year, and the WDF Europe Cup Youth, along with an updated Denmark Open and Masters, are the two main events, we give to our Danish members and dart players, as an anniversary present to mark this major milestone.

For the first time in many years in Denmark, we are experiencing a large increase of interest in the game of darts. We are at a crossroad, where we, if we work hard and focused, can secure the future and make our beloved sport "something to talk about", both in terms of the general public and the increased media interest, but most of all, in terms of the youth.

It is my profound hope, that the future will allow young people, to choose darts as their main sport and leisure activity, on an equal footing with other sports, and I hope that many, many more will see all the great things and friendships, we build out of this wonderful and somewhat "off beat" sport.

I hope all, players, officials, trainers, family and spectators will enjoy some wonderful days here in Denmark, we have done our very best to make sure, that the facilities and the event itself, will meet the highest standard possible, and all Danish officials and players welcomes you, to some exiting and memorable days, in our fantastic and beautiful country.

On behalf of the Danish Darts Organisation, and all Danish dartplayers, I wish you a great stay and a great tournament, and I am looking forward to see some of Europes finest and upcoming stars, fighting it out at the dart boards and making friendships for life.

Henrik Vestbo

President, Danish Darts Organisation

Vejle Municipality is hereby welcoming the participants to Europe Cup Youth 2015!

Vejle is the city of opportunities, and we have the perfect settings for hosting the WDF Europe Cup Youth in darts 2015. We are very proud of being the central point of one of Europe's biggest darts tournaments in 2015.

Vingsted Centret is placed in the beautiful and unique surroundings of Vejle and offers a complete package including indoor pool complex, sports facilities and hotel accommodation, making it easy for the participants and give them a great opportunity to experience many exciting things during the tournament.

Vejle is centrally located in Denmark, which makes it easy to get here by car, train and by plane – no matter, where you come from. Vejle is selected by Team Danmark as a top class sport municipality, which we are very proud of.

It is our goal to market Vejle as an attractive sports municipality, which has its own identity and events, and where you can experience great talent and education opportunities. In Vejle we aim to create talents, where the development of a sportsman or woman as a human being has the top priority.

We are also making a great effort within any sports activity by increasing the overall motion activities in the municipality. This gives us many opportunities, but we are also challenged and committed to thinking new and differently, in short "sport with an edge".

A European youth championship accords with the sporting culture in Vejle. We want to attract large national and international sporting events to the municipality. It is always exciting to visit Vejle, because something always happens here, and we are good sporting hosts.

It is my pleasure and honour to welcome WDF Europe Cup Youth 2015 to Vejle Municipality.
